

Volcán, Paso Ancho

November 2016

If you're looking for a high quality rental in Paso Ancho, I would encourage you to consider the homes owned and operated by Alexander and Sandra Halkema. My wife and I lived in one of their homes for a year, and we have nothing but high praise for them both. Any issues that we had were addressed promptly, and they were responsive to any requests that we had. The houses are built well and there are no issues with leaky roofs, leaky faucets, etc. They're offered for rent at a fair market price so in my opinion you can't go wrong when considering renting from the Halkemas!
